CELEBRATING 30 YEARS IN BUSINESS!

Here for the Long Haul...The Brand You Can Trust!

COLORADO BASED

TRIMAX™
"The World's Toughest Locks"™

Philip Wyers, Founder & President

" Committed to Providing the Highest Quality Solutions for ALL Our Customers' Security and Towing Needs."

CELEBRATING 30 YEARS IN BUSINESS

TRIMAX™ is proud to celebrate 30 YEARS in business! As a registered trademark of Wyers Products Group, Inc, ***TRIMAX***™, centrally located in Centennial, Colorado, remains committed to providing innovative solutions to our customers' security and towing needs in the automotive and sports accessory markets since 1995.

Through value added in-house engineering, ***TRIMAX***™ prides itself on industry-leading patented designs that hold up to the highest quality standards. All products have been rigorously tested before entering the world market.

CUSTOMER SUPPORT

TRIMAX™ stands behind every product it manufactures to assure customer satisfaction. We offer quality products supported by a professional staff trained to answer your questions and process your order in a time-sensitive manner.

Customer service is #1.

PATENTED DESIGNS

All our operatives have a working knowledge of the patented products we provide and are happy to give the support required to keep our customers confident in our business relationship. ***TRIMAX***™ is dedicated to supplying our customers the highest quality products, attractively packaged and manufactured in our own Colorado facility or around the world.
